

Knowledge Hub to promote the transition towards resilient cities and communities (K-R Hub)

Seed Funding

Sustainability

The overall purpose of the K-R Hub project is to exchange best practices on education in the field of sustainability, climate resilience and circular economy (Working Group 1); to collect experiences of entrepreneurship and social entrepreneurship run at each university covering the themes stated above (Working group 4); to carry out a feasibility analysis of a joint program to be run jointly from partner universities on these topics (Working Group 2 and 3); to explore possible calls covering the set of themes above issued under the European framework programme Horizon Europe (Working Group 5). The UNA partners involved in the project are UNIBO, UCM, Freie Berlin, Edinburgh, and Jagiellonian University in Kraków.
