

Una Europa Doctoral Programme in Cultural Heritage (Una-Her-Doc)

4. Who are we

4. 1. Una Europa and Cultural Heritage Self-Steering Committee

Una Europa, a European university alliance, brings together eight major European universities: Freie Universität Berlin, Alma Mater Studiorum – Università di Bologna, Uniwersytet Jagielloński w Krakowie, University of Edinburgh, Helsingin Yliopisto, KU Leuven, Universidad Complutense de Madrid, and Université Paris 1 Panthéon-Sorbonne. Una Europa is among the first European universities funded by the European Commission (1Europe project, 2019-2022). Una Europa's goal is to form a truly European university environment, where excellence in interdisciplinary research is closely connected to transnational learning and to innovative problem-solving. Due to their importance for European research, but also for facing contemporary European challenges and responding to pressing societal needs, Una Europa has defined 5 focus areas, including Cultural Heritage (CH), for the development of international mobility, educational and research projects.

The Cultural Heritage focus area is supervised by a Self-Steering Committee (SSC) formed by academics from eight universities and coordinated by Paris 1 Panthéon-Sorbonne. The SSC of CH develops, implements and tests four main "Joint Innovative Formats" (JIFs) for education and mobility: Joint PhD, Joint PhD Workshops, Lifelong Learning Certificates and CH Chairs. The JIFs aim at developing longlasting collaborations not only between partner universities, but also with leading public, private and civil society stakeholders.

During the preparation of the Joint PhD in Cultural Heritage it became clear that it was necessary to move beyond a simple curriculum, in order to create a place of exchange and regular interaction – a transdisciplinary, transnational and trans-sectoral ecosystem in Cultural Heritage, consisting of PIs from Una Europa universities, PhD candidates and heritage professionals. This ecosystem will also serve as a basis for future projects and collaborations in the field.

4. 2. Una-Her-Doc Governance

Una-Her-Doc programme is governed by the following bodies: Una-Her-Doc coordinating university, Una-Her-Doc Joint Doctoral Committee and Una-Her-Doc Steering Committee. All the bodies work in conjunction with PhD schools or programmes of the eight universities participating in Una-Her-Doc and with Una Europa Board of Directors.

Una-Her-Doc coordinating university is Paris 1 Panthéon-Sorbonne University, until June 2025. The coordinating university deals with the administrative coordination of the Una-Her-Doc programme, namely – the registration to the programme; supporting the programme events; monitoring whether a Doctoral candidate complies with the workload dedicated to Una-Her-Doc programme, as defined in the individual co-supervision agreement; and issuing the Una-Her-Doc certificate.

Una-Her-Doc Joint Doctoral Committee (JDC) manages the Una-Her-Doc, defines its study programme and assesses whether the applications for the Una-Her-Doc are admissible. It consists of eight members, from the 8 partner universities, nominated on the basis of their expertise in heritage studies.

1. Professor Maria Gravari-Barbas, Université Paris 1 Panthéon-Sorbonne (maria.gravari-barbas@wanadoo.fr), JDC Chair
