OPENNESS

Pohjola tulo - 44 Aleksanterinkatu

Openness will be instrumental in raising the University to be a forerunner in research to influence through knowledge and to engage in social debate, while highlighting the University as an attractive place of study and employment as well as an international partner. Openness will be implemented systematically, strategically and responsibly, taking heed of moral principles as ethical and legal considerations

Hilda Flodin pari 1899-1901

from: "The strategic plan of the University of Helsinki 2021-2030"
