

Contact list for questions regarding funding to participate in the Una Europa Cultural Heritage Winter School 2027

The Una Europa Cultural Heritage Winter School 2027 takes the form of an Erasmus+ Blended Intensive Programme (BIP), combining a short in-person programme with online components before and after to connect participants and facilitate collaborative working. BIPs are eligible for dedicated funding through Erasmus+.

Please note: Erasmus+ funding for BIP mobility is not available for doctoral researchers at KU Leuven or for doctoral students with employment contract at Helsingin yliopisto/Helsingfors universitet. Doctoral researchers at the University of Edinburgh and Universität Zürich are not eligible for Erasmus+ but may receive alternative funding from their home university.

If you have questions about your funding options for participating in the Una Europa Cultural Heritage Winter School 2027, please get in touch with your institutional contact:

University	Contact	Email address
Alma Mater Studiorum – Università di Bologna	Giovanni Colavizza	una.europa@unibo.it
